## Adult/Teen Ballet Information

- 1) Proper ballet attire in good repair required for class – any color tights and leotard. No loose or baggy clothes after plies. Hair off face and neck, with longer hair secured in a bun, no loose ponytails, t shirts, baggy shorts, etc.
- 2) If you arrive late for class, be completely dressed for class and ready to take your place at the barre when you come in. For your safety and to eliminate distraction to dancers, wait until in between exercises to come in, taking your place at the barre closest to the door.
- 3) You are welcome to bring your purses, etc into the room and place them along the wall. Do not leave valuables in the waiting area.
- 4) Be sure to keep your contact information (email address, phone number) current in the unlikely event of a class cancellation.
- 5) Please help maintain the most optimal class atmosphere – no talking during class, silence cell phones.
